SHORT TRACK 10

Splash Squad products come a la carte, or in three pre-configured layouts. These optimized designs have been carefully crafted to provide solutions for the most common pool and aquapark situations.

Short Track 10 is an exciting track that fits into 25 yard or 25 meter pools, even those with modest water depths. With capacity for up to 10 children, each of the modules weighs less than 36kg (79lb) so the track can be installed easily by only 2 lifeguards.

This set is the go-to option for short track pools.

INFO:

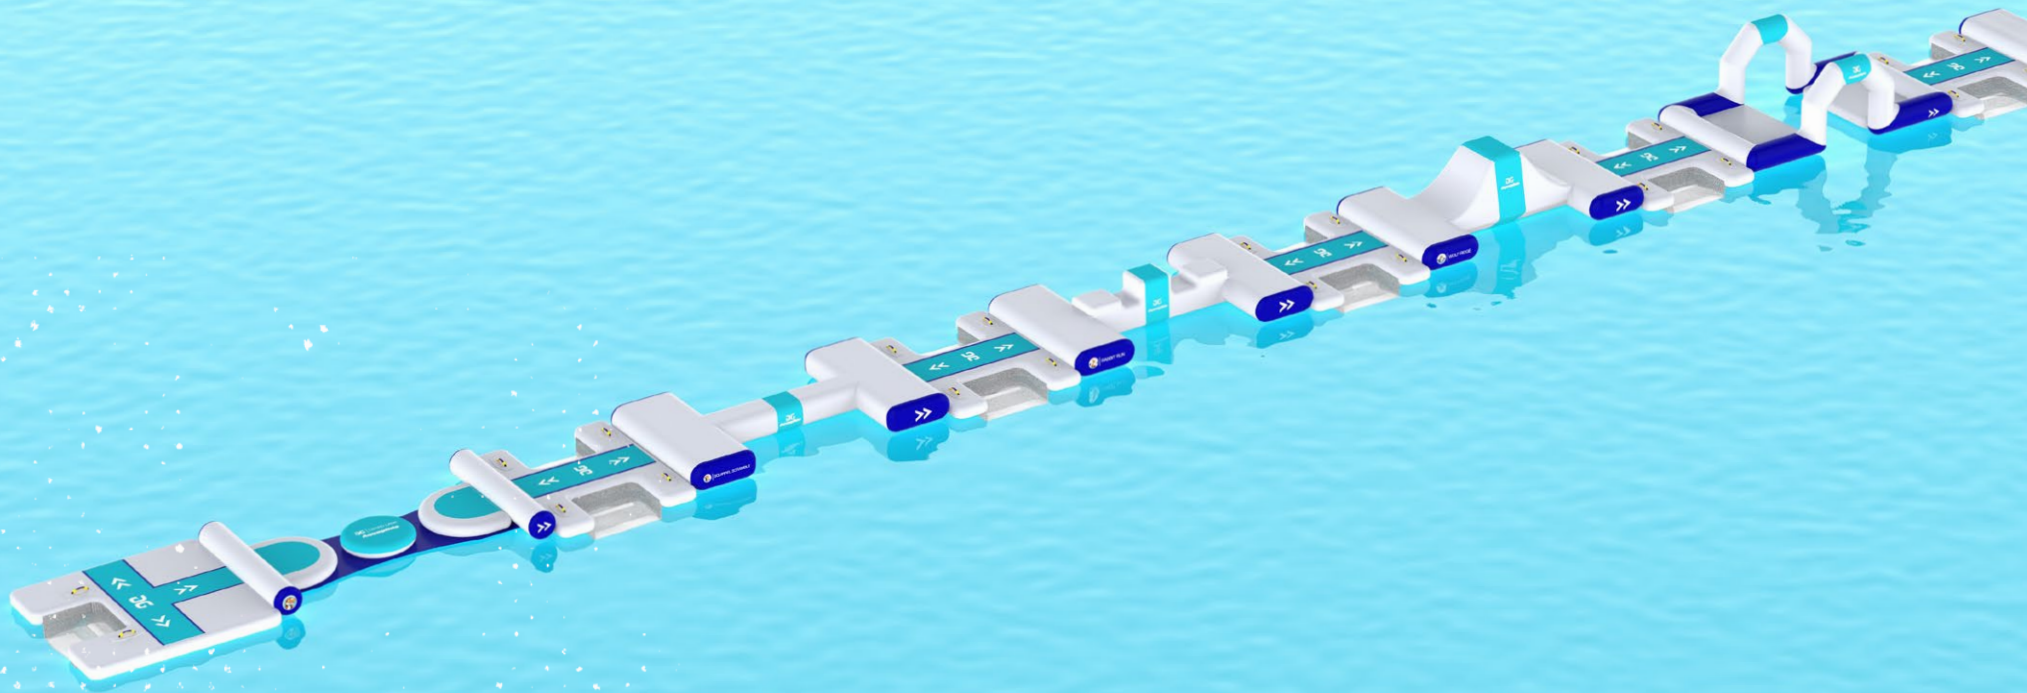

DIMS: L 48.6' x W 6.6'
(L 14,8m x W 2,0m)

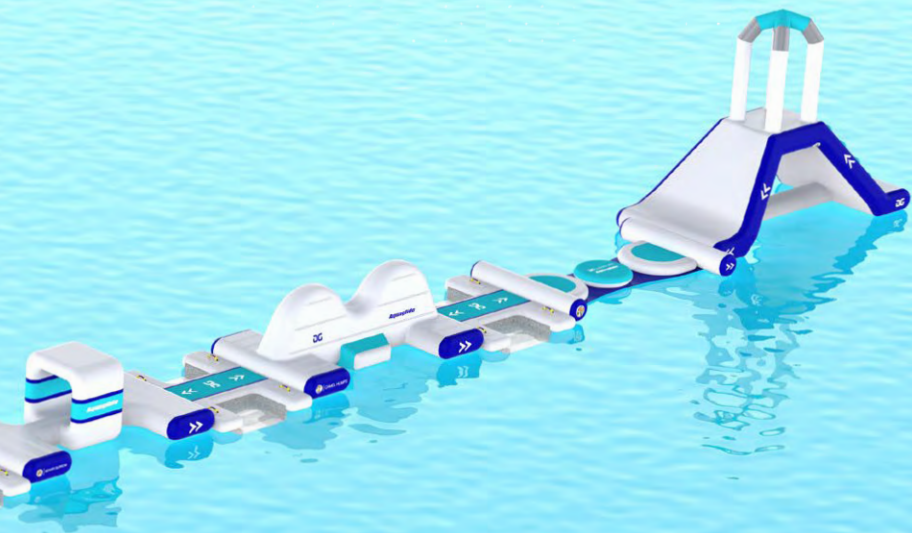

CAPACITY: 10 Children

MINIMUM WATER DEPTH: 2.9ft - 4.5ft
